Sat Nav warning

Be aware that most Sat Nav systems will only take you to Annscroft village, not our exact location. We are located at the Farriers Business Centre a short distance to the southeast of the village.

From Annscroft village head south (away from Shrewsbury, towards Longden and Pulverbatch). As soon as you leave the village you will see a National Speed Limit sign and a crossroads. Turn left at the crossroads, signed for Dorrington, Exfords Green and Farriers Business Centre, and then look for the sign for Farriers Business Centre on your right, 150 metres after the crossroads.

There are two blocks of buildings on the business park. Drive past the first one and you will see our office facing you at the start of the second block. Turn right into our car park or, if that is full, please park considerably elsewhere on the business park.
